NORTH LONG LAKE ASSOCIATION 2017 MEMBERSHIP DUES STATEMENT
--

Dear Property Owner or Friend of North Long Lake:

If a dues statement was not mailed to you or if you have misplaced the dues statement, you can use this form to renew your membership in North Long Lake Association (NLLA) or become a new member. Membership dues support NLLA's ongoing efforts to monitor and improve the quality of our lake. The threats posed by aquatic invasive species (AIS) is an ever growing focus of NLLA and the additional contributions to our AIS fund are especially important and appreciated.

Please provide your information below. NLLA uses email for ongoing communications. The board encourages you to provide an email address. A second email address, if provided, will also receive our emails. Please return this form along with your 2017 membership dues and AIS donation to North Long Lake Association, PO Box 54, Merrifield, MN 56465. We heartily thank everyone who continues their NLLA membership or becomes a new member. **Donations to the AIS Fund are TAX DEDUCTIBLE.** Membership dues are not tax deductible.
